

SHORT-TERM PROGRAM PRICING AND INFORMATION

JANUARY 2010

RULES AND INFORMATION

1. Students joining these classes part-time must not require an I-20, unless they are on approved vacation from their current school.
2. Student must understand clearly that if they are joining a semester in-progress, the teachers are not expected to repeat information already covered earlier in the program.
3. Selnate will strive to place each student in the level which best approximates his/her level at the time classes start, but class size and availability are also factors.
4. Student understands that classes run Monday-Thursday, except for holidays and breaks as shown on the current calendar.
5. Students generally must enter the US on an F-1 student visa if they are to study 18 hours per week or more. Students entering on almost any other visa that permits part-time study (including tourist visas) are only eligible to study less than 18 hours per week as per immigration rules.
6. Unless noted otherwise, all paid students (regardless of visa and program type) are eligible to participate in weekly activities and may use computer lab without additional charge.
7. Once classes have begun, no refunds for tuition will be granted.
